

CAMPING WEEKEND IN IJZERLO FROM 23 – 26 AUGUST 2001*by Wim Somsen [518]*

For the fifth time we are going to organize with great pleasure the "Somsen camping weekend" in IJzerlo. So this is the fifth anniversary.

The usual ingredients are bound to make it a successful weekend again.

On Saturday afternoon we will visit Mr Veerbeek, guardian and keeper of our "Somsen lime tree".

In the evening there will be a barbecue with drinks and nice food. The price will have to be raised to f 25 per person, since the gap between revenues and expenditures became just a little bit too big last year.

Of course the afternoon and the evening are preceded by a morning.

That Saturday morning we would like to do the successful visit to the swamps in Vragender again that we did five years ago together with a guide. (*see photo, r. and see cover photo too*) After that we will have pancakes in Vragender.

The price for this combined event will lie between f 15 and f 20, depending on how many participants there will be.

We will leave from the camping site at 10 o'clock a.m. If there are people who want to go there by bike then we will have to adapt the hour of departure.

Again we expect quite a number of Somsens in IJzerlo. The weather is always fine, drinks are cheap and the atmosphere is perfect. You are very welcome to enter your name in due time at Wim

Somsen – by phone or by e-mail – so that we know how many participants there will be for the swamps in Vragender and the barbecue.

Also those people who do not camp out, can join us in our activities perfectly well.

You are very welcome!
