Lera was always a hard worker and she was a faithful member of the Church of Jesus Christ of Latter-day Saints. She served a mission to Birmingham, Ala., from 1999 to 2000, where she made many lasting friendships. She has always been very easy to get along with and made friends everywhere. Ken Fowler [5849] in action during an exciting match between an American and a Dutch double team.

Message of our chairman

Johan Somsen [1089]

I am glad to announce the last Somsen publication in this year. It is again the 9th Somsen Newsletter and we rejoice at having received enough copy for the past few months. Therefore some articles will be placed in future publications. But still you are more than welcome to hand in articles, newspaper reports or other stories relating to our family. It is also fine if you only give us the story so that we make a report for our publications. And, of course, we appreciate receiving photos as well. We are always very happy with it. For a matter of fact, do you ever visit our website from time to time? (www.somsen.org). It is always exciting to poke around in the family genealogy and moreover, all old magazines and newsletters are easily accessible. In this newsletter you will get acquainted with a new member of our board: Peter Somsen. Furthermore we had a few old friends visiting us from the USA: Jeanie Somsen and Ken Fowler. And don't forget to order the new Somsen Calendar. About all of this and much more you can read in this newsletter and I wish you happy reading.

NEW BOARD MEMBER

by Johan Somsen [1089]

In the New Year there will be some changes in our board. Our current treasurer, Jan van Daatselaar [679], had announced well in advance that he was going to take leave of us and in the board meeting in January 2014 he will transfer the baton to his successor Berto Somsen [423]. We will pay more attention to this in our future publications.

This created the need to supplement our board with a new member and I am very happy to introduce you to Peter Somsen [247].

Together with Oscar [2040] and Berto, Peter forms the youthful section in our board. They are all three around 50 and that offers promising prospects for the survival of our family foundation.

Peter Somsen [247]

Peter was born in Amersfoort but raised in Gorinchem. After high school he received training as an F-16 pilot with the Royal Air Force. During his training as a jet pilot he also lived in Canada for two years. After having flown the F-16 for a long time he exchanged this aircraft for the big birds of KLM where he is still flying as a captain.

Last year he and his wife Ingrid settled in a beautiful place in the Achterhoek in the outskirts of Vorden and now the remodelling of their home is nearly finished he is glad to strengthen our board. He also has administrative experience; he was president of the Dutch Motorcycle Association. In his spare time he can also be found in the fields with a metal detector because he is an avid collector of archaeological finds.

I am very pleased to welcome Peter in our board and I hope that he will feel completely at home as a true Somsen.

Somsen Calendar 2014

For the very second year the Somsen Foundation is producing a family calendar. Twelve months with pictures and details about our family and its history. The calendar will be printed in A5 and will look good on your desk. And of course it will be a nice way to remember holidays in the Netherlands and the US. It can be ordered for \$ 10. But, if you combine it with your donation for 2014 the price is only half.

To order this beautiful calendar pay \$ 10 (or \$ 5 + your donation) either by using PayPal on our website (www.somsen.org) or to our financial contact: Stephen D. Somsen [2459], 47231 East Fir Street, P.O. Box 526 Darrington, WA, 98241 USA, tel.: 001 562 430 0079, e-mail: ssomsen@aol.com.

FAMILY BARBECUE in IJzerlo on Saturday, August 24, 2013

by Harry Somsen [146]

As of Friday afternoon the first guests had already arrived on the campsite The Hoftijzer and at the beginning of Saturday evening more Somsens arrived to take part in the BBQ and, of course, also to meet other Somsens again. Unfortunately our loyal visitor Emma was no longer there. Wim Somsen, together with Rudolf Brunsveld, had again taken good care of enough food and drink for the participants for a friendly price. The board had indicated that a minimum of 25 persons had to register before August 15 and also this year there were more than enough visitors. We refrained from visiting the Somsentree at the Japikshuis this year since the number of visitors there had grown smaller and smaller over the past few years. Maybe for the next year a combination can be made. We could, for example, go to the tree on Saturday afternoon at 5.30 and subsequently to the BBQ. We would appreciate it if you communicated your ideas and wishes on this matter to the board.
